Providing Services for Women and Children Since 1986

*Bethany House is about life, but sadly, part of life is ultimately death.* Recently, Beth Rhinehart, attended the life celebration for Katy Roe, born while her mother, Keri Roe, resided at Bethany House, in 1994. Keri gave birth to twins while living at Bethany House, Katy and Margaret. The family eventually settled on the coast, in Depot Bay.

Part of what Bethany House does is support mothers throughout life journeys. Once a Bethany House 'girl' always a Bethany House 'girl' — that means providing support and encouragement through all life's struggles, including an unexpected death. Our 'services' don't end. They last a lifetime. We were honored to be part of this precious young woman's life.

In the short twenty-two years Katy lived she left her own legacy. She volunteered in her community and had an artistic flare, playing piano, singing, and starting a photography program at the local community college. She had a love for the outdoors and was a member of the *Otter Rock Surf Club* and *Kids' Zone Rowing Club*.

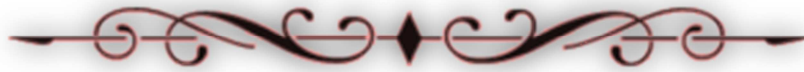

She had just been promoted to Front End Manager at her job with Safeway. She was well-liked and respected by all who knew her.

We want to honor her life, and show our support and love for her mom, Keri Roe; her twin sister, Margaret; and all her extended family and friends. Please pray for this hurting family.

*"When the time comes for you to die, you need not be afraid, because death cannot separate you from God's love."*

~ **Charles H. Spurgeon**

## Bethany House and Local Churches, Business, and Supporters Continue to Bring Good Cheer to Families in need throughout the Year

Kisa was so grateful for the gifts she received for her new twins. Kristy and her family also received blessings this past Holiday Season, and were extremely thankful. Beth attended Jeremiah's Birthday party. Jeremiah was adopted from a Bethany House birth-mother and is loving life with his family. Helping women and children in need remains a priority throughout the year. We think the happy faces in the pictures from these families who were the on the receiving end say more than words ever could:

Tisa and the twins!

Jeremiah's 7<sup>th</sup> Birthday!

### Three ways to participate and keep the smiles coming!

The cornerstone of the Bethany House Program is our sponsor families. Do you have extra space, an open heart, the desire to help a young mother and a child? Do you believe you can provide a positive, guiding influence in the life of a hurting woman? If so, you might find the role of sponsor family to be highly rewarding. Giving and loving others is a commandment from Christ. We are to help, encourage, and lift others up, using our time, talents, and treasure to bring healing and hope. When we give we truly receive blessings beyond our wildest imaginings. We hope you will consider stepping out in faith and making an eternal difference. Thank you for your ongoing support and prayers.
