Pictured Above: Just a peek at what your giving supports ... LIFE

LIFE ... a gift that can't possibly be measured in the traditional sense. It is a gift that surpasses all others, and in turn, a gift that will bless countless people in the years to come. We understand many worthy organizations are seeking your financial support this Holiday Season, but it is our hope that those of you who value life and care deeply about the futures of young women and their children will join us in giving an irreplaceable gift this Christmas -- the gift of a brand new beginning.

Mankind's greatest "new-beginning-gift" arrived as an infant, wrapped in rags, and lying in a feed trough.

We all value the lives of women and children, and sincerely hope that they will have a chance to unwrap the gift of a fresh beginning this Christmas Season. The young women that come to our home are alone and dependent on the care of others for nourishment and love at this time in their lives. Bethany House needs your financial support to continue serving these hurting women and their babies. We can't do this alone; so would you please consider giving the gift of life? This is your opportunity to partner with us to help provide food, shelter, clothing, love, and new hope for the future. If you would like to become part of this life-changing ministry, please complete the following pledge form or donate online at www.bethanyhousenet.org. All donations are tax deductible as allowed by law. We trust that as you give this special year-end gift or make a monthly commitment for the upcoming year that your heart will be filled with the joy of giving. The Bethany House Family wishes you and your loved ones a very Merry Christmas and a Happy New Year.
